#### A Message from the President

My personal congratulations to the class of 1979. It is an excellent class for which all of us at Vincennes University are thankful. One of the sad things about a two year college is that about the time we get acquainted with a group of fine students, they are ready to leave us.

Yet, the graduates are to be congratulated for achieving another step in their personal development. Americans have always believed in education as the doorway to the future. For most of us no other factor is so decisive to our personal accomplishment.

In this generation in which the routine types of jobs are steadily disappearing from the world of work, when even occupational skills are based upon knowledge, those who continue their efforts to learn gain an important advantage.

Perhaps the most important contribution of post-high school education is to give a foundation for future personal growth for education today has become a lifetime necessity. Those who do not gain that foundation early in life must struggle to recover in their later years or fall steadily behind their colleagues in occupational accomplishments.

Education today is the reservoir out of which leadership makes its contribution. It is the basis for many of life's satisfactions. Therefore, my hope and prayer is that the learning graduates have gained at Vincennes University will serve them well in the years ahead.

I hope, too, that every graduate will remember a favorite statement of mine they probably have heard several times: that everyone of us have the obligation to develop our talents to the fullest and put those talents in the service of God and man.

My sincere best wishes,

Issac K. Beckes

# ACTIVITIES

# Registration 1978

On August 18th and 19th, the Physical Education Complex opened its doors to a new class of students. During those two days, 2,712 full-time and 436 part-time students registered for another year of hitting the books. The days were filled with excitement for some, anticipation for others, and at the close of registration, over three thousand students were ready to begin another academic year.

## Tube Race

The second annual tube race was held Saturday, September 9, at 2:00 p.m. Nineteen teams paddled their makeshift tube rafts from Kimmel Park to the George Rogers Clark Memorial. Raw Expedition took first place honors with a winning time of 28:08, followed by the teams of Sigma Phi Epsilon I and Sigma Phi Epsilon II respectively.

Recreation Club team members, Carl Maijer and Dan Fitzgerald, wait for the signal to begin the race.

TKD members, Brad Baker, Tom Stumph, Lauri Sauers, Jane Sauers, and Mary Jo Dailey push off the bank.

# Almost Anything Goes

Nine campus organizations spent a wacky Sunday afternoon competing in "Almost Anything Goes". Five events were offered; Crazy Chicken, Blind Football, Sack Race, Big Splash, and Tug-of-War. Top honors went to the "Terrific Ten" followed by Sigma Phi Epsilon, and the "Top Ten".

Friendly bystanders chuckle at the 'graceful' loss of team members Tony Warfield, Patricia Birdsong, Sharon Patterson, and Dennis Vaughn.

Kay Mullen, Lisa Fox, Tamie Humphrey, Dee Abbott, and Jim Bozak give their all in the Tug-of-War pull.

Doug Cunningham directs his blind-folded team member where to kick the football.

Director of Student Activities, Brenda Burnworth, and Union Board member, Bob Leppert, keep score.

# Dads' Weekend Variety Show

On October 26 and 27, the annual Dads' Weekend Variety Show played before packed houses. Twenty-three acts, including competitive groups and featured performers, presented an evening of entertainment designed to please students, staff, and visiting parents. Top honors for acts in competition went to Sigma Phi Epsilon Fraternity, with second and third place trophies going to Emison and Morris Hall respectively.

Contributing performers in the winning act, "Mary Poppins" were Parker Finn, Debbie Schell, Paul Axton, Carol Spires, and Butch Thornberg.

Receiving applause from an appreciative audience are Sigma Phi Epsilon members; Bill Howe, Roy Allen, Lou Ann Tangemann, Linda Schwering, Danny Robbins, and Geoff Finn. Kneeling in front are Paul Axton, Carol Spires, and Butch Thorenberg.

M.C. Mike Petro introduces the next act while Pat Burnworth prepares the microphones.

# Pop Concert With B.J. Thomas

DADS' WEEKEND POP CONCERT FEATURING B.J. THOMAS

A packed house of students, staff, and parents listened to B.J. Thomas entertain them with his pleasant and oftentimes inspiring brand of pop music. Thomas musically recounted his career by doing all of his hits, starting with Hank Williams' "I'm So Lonesome I Could Cry", right through "Hooked On a Feeling," "Eyes of a New York Woman," and "Raindrops Keep Fallin' on My Head," topped by "Another Somebody Done Somebody Wrong Song." He is a sincere, unassuming, and effective stage personality and Thomas' delivery was direct and sensitive to his audience.

His Christian experience is the guiding force in Thomas' life and toward the end of his show he gave a "testimony" describing his career's descent into drugs and dissipation, along with his recovery through religious faith.

A thoroughly enjoyable evening, B.J. Thomas may have found Jesus, but he hasn't lost rock 'n' roll.

# Disco!!

The Tuesday night disco has become a regular attraction of the Student Activities program. In addition to regular evenings of entertainment, special nights such as toga, dress-up and the Valentines Day disco were hosted by "Terrible" Tim. One of the more interesting evenings was the Halloween disco.

# "Guys And Dolls"

At eight p.m. on November 9th, the curtain opened on the Vincennes University Music Theatre's presentation of "Guys and Dolls". This musical fable rests on the interplay between a gambler's attempt to seduce a lovely mission leader, and her subsequent efforts to save his soul. Directed by Professor James Spurrier, the cast of over fifty students worked hard to present an evening of pure entertainment.

The basketball team advanced to the final game of the Invitational by defeating Allegany 71-60. Invitational honors once again went to the Trailblazers with their win over Glen Oaks, 58-51, Saturday evening.

The decorations were the result of a lot of hard work by the Senior class officers; Tim Thompson, Kent Carpenter, Lyn Foyer, and Robin McBride.

# Black Culture Week

February 5th through the 9th proved to be a week of exciting activities with the main thrust on education. Focus of the week hinged on two dynamic guest speakers: Rev. Dr. T. Garrott Benjamin, President — Pastor of the Second Christian Church in Indianapolis and President-Elect of the National Convocation of the Christian Church; and Mary Robinson, Assistant Dean of Law at the University of Iowa, who spoke on the impact (current and future) of the Bakke decision on education.

Other features of the week included a concert by the Interdenominational Ensemble, and a style show produced in cooperation with local merchants.

# Casino Royale

Over 200 people enjoyed the delights of the annual Casino Royale held in Green Auditorium. Starting with \$200.00 in play money, students increased their holdings if Lady Luck was on their side, enabling them to purchase gift items at an auction following the casino. Various games of chance included Poker, Blackjack, Chuck-a-Luck, Solitaire, and Over and Under.

"Pipe Dreams" from Cincinnati provided the music for the evening which was made possible by the Freshman class. Officers who worked hard to make the night a success were Jeff Cummings, Greg Gordon, Cathy Wantland and Cindy Williams.

Four teams were entered in the trike race, and six bike teams were in competition for this year's annual Littlest 500 races. Through the cooperation of the Recreation Club, Gamma Tau, Student Activities, and over twenty faculty and staff members, the races proved to be an exciting afternoon of entertainment for over 200 spectators.

Members of the trike teams are briefed on the start of the race by Vern Houchins and David Phillippe.

Dr. Isaac K. Beckes prepares to start the annual Littlest 500 Bike Race.

The Trike Race consisted of five laps around the track, and first place honors went to the team from Morris Hall. Second and third place went to Clark and Emison Hall respectively, and the fastest lap trophy was awarded to Rose Ann Heldt from Morris Hall.

First place finishers of the Bike Race, for the second year in a row, were the men of Clark Hall. Second place went to Sigma Phi Epsilon while third was captured by Lambda Chi Alpha. Fastest lap honors went to Terry Swain.

# Convocations

Throughout the year, Student Activities and Community Series works hard to present a diversified program of cultural enrichment for the students of Vincennes University. This year proved no exception as students were entertained by the Harlem Globetrotters, the V.U. Music Theatre Productions, Stan Waterman and the movie "The Deep", and many other fascinating productions.

Art Linkletter is best known for his television shows, "People Are Funny" and "House Party", and presented several anecdotes from his book, "Kids Say the Darndest Things".

Don McLeod, a mime, presented a series of contemporary sketches along with Macarena, his dancer-partner.

The only sports team that has been the subject of two movies and two television series, the Harlem Globetrotters certainly proved why they hold the record for the largest crowd to see pro basketball games indoors.

## Curtis G. Shake 1887-1978

In September of 1978, the University and the community of Vincennes lost a great educator, patron, and friend — Judge Curtis Grover Shake.

A native of Knox County, Judge Shake gave unselfishly of his time in an effort to better the University, Knox County, and all humanity. Some of the positions he held in his lifetime include Knox County Deputy Prosecuting Attorney, United States Commissioner for the Terre Haute Division of the District of Indiana, President of the V.U. Board of Trustees, Indiana State Senator, and Indiana Supreme Court Judge. In May, 1947, he was chosen by President Truman to go to Nuremburg, Germany, as a judge of the U.S. Military Tribunal set up to prosecute Nazi war leaders.

Active in community affairs, Judge Shake was instrumental in rescuing Vincennes University from a near-fatal financial position in the 1920s. Upon appointment to the Board of Trustees, he began a program of revitalization which provided the basis from today's present campus.

The University and community has prospered from the nurturing efforts of this great man. The tangible results of Judge Shake's many accomplishments will stand as a lasting tribute to a concerned humanitarian.
